

Tanbridge House School
A Specialist Science, Mathematics &
Computing College

JWH/ShC

22 June 2010

Dear Parent/Carer

General Information

I wanted to update you on some day to day matters relating to school procedures during the week.

You will be aware that England have a World Cup fixture starting at 3.00pm tomorrow. Whilst I am not in favour of suspending school early I hope that you will support my decision to take a pragmatic approach to the match. Accordingly I have instructed colleagues that they teach a normal lesson for Period 5 until 3.00pm, students will then be set up with adequate work at this time. From 3.00pm I will allow TVs and radios to be used to allow students (and staff!) to follow the game.

At all times, however, this will be at the discretion of individual teachers. There are a number of students who have crucial exam preparation and this must not be undermined in any way.

Whilst some students may choose to stay in school after 3.25pm, they will be responsible for making their own way home if they chose not to take a bus at the normal time.

On a different note, I have also asked colleagues to exercise sensible judgements regarding uniform during the warm weather as per my last ParentMail to you on this subject.

I am delighted to report that the culture and atmosphere around school continues to be highly positive and I again thank you for the fulsome support that you continue to give the school and myself.

With kind regards

Yours faithfully

Jules White
Headteacher
