Dear Parent/Carer

**Potential Industrial Action - Evita Performance 30 June**

Further to my mailing this morning, I am now in the position to give you a little more information regarding proposed industrial action and any impact this may have upon our school production of Evita, which is due to take place on the evening of Thursday 30 June.

As you would expect I had already looked at this potential issue a little while ago and had broached it with appropriate representatives from professional associations. I am pleased to report today that colleagues within the NUT and ATL have indicated that at this stage, they would not expect any proposed action to lead to the postponement of the Evita production on 30 June.

Of course, I am grateful for this approach as we are all looking forward to four wonderful nights of performance starting on Tuesday 28 June at The Capitol Theatre.

As for wider issues relating to this action I will contact you as soon as I have further information to communicate.

Yours sincerely
