25 June 2010

Dear Parent/Carer

Warm Weather

With the continued forecast of hot weather likely to run into next week I am pleased to confirm that, for the remainder of this period, students will not be expected to bring their blazers into school.

It is important however that our working standards are maintained. Therefore, I would be grateful if you could ensure that our basic expectations such as full equipment, black shoes and ties are fully maintained.

Again, thank you for your support.

Yours faithfully

Jules White
Headteacher
