Our Ref: JW/ShC/blazers

24 May 2010

Dear Parent/Carer

Warm Weather

My colleagues and I have received enquiries from some younger students about wearing appropriate school uniform during particularly warm weather such as we enjoyed today.

I must stress that students are absolutely entitled to remove blazers during break and lunch times and will be given opportunity to do so during lessons, although normal courtesies of making requests would be appreciated.

As conditions are likely to cool down in the next few days I would be grateful if students could continue to bring in blazers to school so the conditions detailed above can apply.

Of course, if there is a likelihood of a prolonged spell of warm weather then I will be happy to move to summer uniform where blazers are not required in school.

Thanks again for your continued support.

Yours sincerely

Jules White
Headteacher
