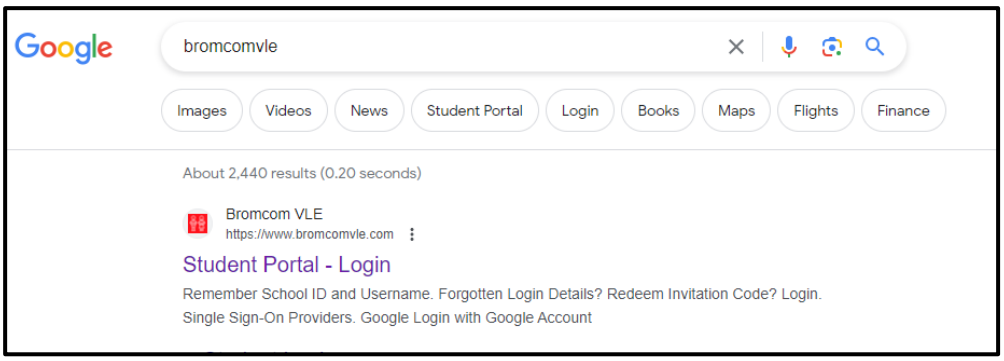
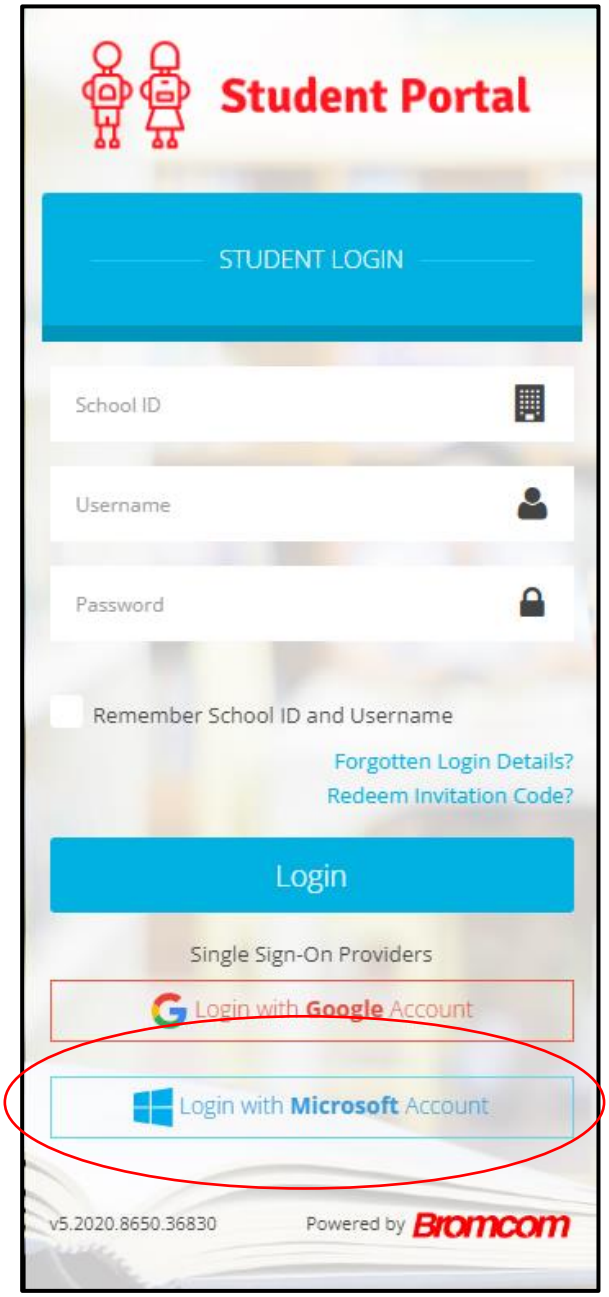
Bromcom Access

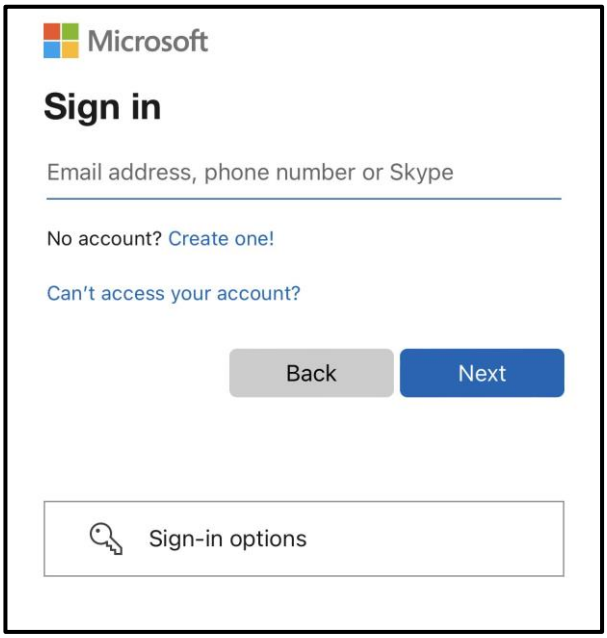
Tanbridge House School

Students can access Bromcom via the internet through any device. Search via your browser for; bromcomvle





You then scroll/swipe down and click on the Login with **Microsoft** Account. You will be prompted to enter the school login details e.g. 23jjones@ths.uk.net and their usual password as if sitting at a school PC.



Once Login with **Microsoft** Account has been clicked, you may be automatically logged in if you have previously logged into the school's own student portal.

It is a good idea to save the link to your favourites or if you can, create a tile for your Homepage.
